

# New from Olympus Lock...

## INTRODUCING THE 724VR MEDICAL CART / FILE CABINET LOCK

**New!**

The new **724VR Medical Cart / File Cabinet Lock** retrofits original Best part number 2P73. This product is used extensively in mobile drug/medical carts commonly used in the health care industry. The new 724VR is a direct retrofit for the Best original part number 2P73 with the added benefit of a red caution flag if the lock is left in the unlocked position. The lock will accept standard SFIC cores such as Best, Arrow, Falcon or equivalent.

### **Features:**

- Direct retrofit for Best original 2P73
- Vertical slot with round spring bolt
- Includes red caution flag when unlocked
- Accepts Best-style 6 or 7 pin small format interchangeable cores
- Includes plastic actuator to functionally test lock without core
- US26D finish (satin chrome)

**OLYMPUS**
