FEATURES

Rekeyable: Working top-slide, cylinder retainer staple and removable bezel ring make rekeying fast and easy. No more need to pry off faceplates and pin retainer clips.

Stronger bolt: Our stainless steel bolt will withstand repeated abuse without breaking.

Retrofits: National C8137.

Mounting: Ships standard with brass fixing nut.

Spring clip: Optional spring clip is available for clip mounting if desired. The lock comes standard with clip mounting locations for 0" to 11/64" material thicknesses.

WARNING: This product can expose you to chemicals including chromium, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
